SUGGESTED MENU PACKAGES

Menu packages are offered through our preferred caterer. Meal packages will include an assortment of sides to choose from. A detailed menu list can be discussed at the time of booking your event.

Other catering options are available if you would prefer something other than what is offered through our preferred caterer.

Customize Your Décor

☞ For other décor packages, we encourage you to set up an appointment to discuss options with our staff and our caterer. We will be more than happy to put together a tailored décor package upon request including menu options, tableware and linens.
