

## WEDDING CEREMONIES

River Ranch Educational Charities

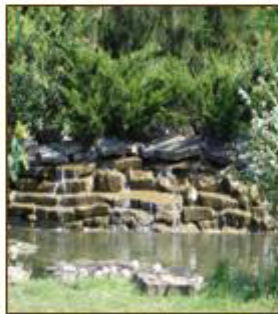

### Storybook Chapel

Ceremonies at Storybook Ranch are held on the porch of this pristine chapel while guests are seated on the front lawn. Located at the forefront of Storybook's Historic Western Town, it is a charming location for any ceremony. The chapel is modeled after the First United Methodist Church in Clarksville, TX, with some of its original interiors including wooden church pews, ornate stained glass, an antique pump organ, dark walnut wainscoting, and windows from the original Adolphus Hotel in Dallas.

### Scenic Pond View

For a more expansive view of the chapel and Historic Town, you can host your ceremony in front of our beautiful fountain pond. At sunset, this location makes for truly memorable photographs.

### Storybook Meadow

For a more natural setting, you can have your guests seated amongst the rolling hills of our meadow area surrounded by native landscape. With our butterfly attractors and native wildflowers, this location is ideal for any nature lover.
